The Post-conference excursion starts after the conclusion of the conference on Friday afternoon.

Tentative schedule

Departure Friday afternoon after the conclusion of the conference, trip to Telc on the border of Bohemia and Moravia, overnight there. On Saturday morning visit the Telc castle and stroll the town. By noon depart for another picturesque small town Slavonice (half an hour), have a lunch there, walk the town. In the afternoon proceed to have a tour of another castle-fortress Landštejn overlooking borders of Bohemia, Moravia and Austria. Travel through a picturesque landscape to Trebon, arrival by late afternoon. Trebon is a pleasant town, seat of the last Rosenbergs (in 16th century), nowadays a spa, with huge ponds and meadows and woods... and yes, a very good local beer. Sunday morning have a stroll there on the dyke of the pond called World and later depart for Prague - directly to the airport for those in a hurry and to the downtown for the rest. Sure, everything can be adapted to your wishes...
